

Dear Colleagues!

On February 18, 2021 in the context of the IV International Research-to-Practice Conference «*Strategizing: Theory and Practice*», the session «**Moscow Strategic Universitarium**» will be held in Lomonosov Moscow State University). The session is organized by the Economic and Financial Strategy Department at Lomonosov Moscow State University' Moscow School of Economics and the Center for Strategic Studies at Lomonosov Moscow State University' Institute of Mathematical Research of Complex Systems.

The session includes a variety of thematic sections and events dedicated to the theory, methodology and practice of strategizing, which can be found in detail in the **Program of the session «Moscow Strategic Universitarium»**.

Based on the results of the session, a special volume of a Collection of scientific articles will be published, indexed in the RSCI, and the best reports will be offered for publication in journals affiliated with the Department and the Center for Strategic Studies.

Speakers will be awarded with certificates and awards for interesting presentations!

To participate in the session, please send an email to econfinstrategydep@inbox.ru before **February 5, 2021**, indicating your full name, country, city and affiliation.

If you want to make a report and publish in the Collection you should send article by e-mail econfinstrategydep@inbox.ru until **December 8, 2020** (**Requirements for articles**).

We will be very glad to see you!
